Member parties of the Arab Social Democratic Forum severely condemn the abominable attack on the Charlie Hebdo headquarters in Paris. There is no justification for any kind of violence.

Freedom of speech and freedom of press are the essence of democracy, we should not allow terrorism to dictate it. Pluralism should always be respected.

We stand by the French people in this difficult moment and offer our sincere condolences for the victims of the atrocious massacre.

We urge all the democratic forces to unite against any form of extremism.
